

## **FURY FALL BASEBALL PROGRAM**

### **Senior Fall Fury**

NCHS, NCBBSB and BVSA will work to bring together a competitive Fall Baseball Program for the high school level players or those about to enter high school.

Players entering these three levels will need to be between the ages of 13 and 18.

Beginning the first week of school, there will be games both on Saturdays and Sundays allowing players to choose a day and also play another sport during the Fall season.

Both age groups will allow for:

- . 18 to 20 games over 8 weeks
- . one practice per week
- . one supervised open hitting night per week at BVSA

The two teams will be broken down in the following fashion:

1. 18U - players that are ready, or almost ready, for the High School Varsity level of play
2. 16U - players that are headed into high school or have just spent one year playing high school baseball. Some of these players will also see 18U play
3. 14U - players that are ready for the 90 ft fields and may be entering high school this fall or may be in 8th grade.

The goal for the Fall is to prepare for next year and to keep these kids playing together as much as possible. Therefore, each team is designed to play for the upcoming spring program. We will open the registration up to out of town players, to fill each team to 16 players, if necessary beginning on August 15th. Early registration is highly recommended, as we will pull players from outside New Canaan off the wait list by August 20th to fill the team competitively. Once the team is full, there may not be room for late registrants, who will be offered traditional Fall Ball if they are New Canaan residents.

The season runs for 8 weeks beginning the week of Monday, August 30th through Sunday, October 17th.

The cost of the program is \$695.00 and includes a tee shirt, uniform pants, all umpire fees, insurance, and professional coaching fees.

### **Junior Fall Fury**

NCHS, NCBBSB and BVSA will work to bring together a competitive Fall Baseball Program for the grade school level players. Players entering these two levels will need to be between the ages of 9 to 11. Beginning the first week of school, there will be games both on Saturdays and Sundays allowing players to chose a day and also play another sport during the Fall season.

- Both age groups will allow for
  - . 18 to 20 games over 8 weeks
  - . one practice per week
  - . one supervised open hitting night per week at BVSA

The two teams will be broken down in the following fashion:

1. 10U - geared for competitive baseball and a fast learning curve for the 9 and 10 year old.
2. 12U - competitive baseball for the 10, 11, or 12 year old who enjoys travel baseball and wants to play against other top players.

The goal for the Fall is to prepare for next year and to keep these kids playing together as much as possible. Therefore, each team is designed to play for the upcoming spring program. We will open the registration up to out of town players, to fill each team to 16 players, if necessary beginning on August 15th. Early registration is highly recommended, as we will pull players from outside New Canaan off the wait list by August 22nd to fill the team competitively. Once the team is full, there may not be room for late registrants, who will be offered traditional Fall Ball if they are New Canaan residents.

The season runs for 8 weeks beginning the week of Monday, August 30th through Sunday, October 17th.

The cost of the program is \$695.00 and includes a tee shirt, uniform pants, all umpire fees, insurance, and professional coaching fees.
